School	National
75	

Percentage of Children at the end of Reception Achieving a Good Level of Development

The children are assessed against Early Learning Goals in Reception class. A good level of development in the early learning goals (ELGs) is based on the three prime areas of learning (communication and language; physical development; and personal, social and emotional development) and the specific areas of mathematics and literacy. Here is the school's performance for Reception.

School	National
57.5	65.2
