Dear Parents

As we now know that schools are set to close at the end of the week except for provision for children of key workers and children deemed disadvantaged and those with an EHCP plan, we need to be able to collate information to assist in making an appropriate provision.

Who are key workers?

Key workers are those working in essential **NHS services**, police fire, ambulance services, supermarket delivery drivers as well as those working in social care and armed forces. If you are in any doubt about the impact of your occupational role, the definition below may help

A key worker is defined as somebody who works within the public sector and whose **continuing employment is deemed crucial to both the economy and in helping to battle the infection**

In order to assist the school with this collation of critical information, please return the slip below through the office or email us directly at [admin.stedmundsandstthomas@schools.sefton.gov.uk](mailto:admin.stedmundsandstthomas@schools.sefton.gov.uk)

Thank you for your support in keeping all school community safe.

Yours sincerely,

Kieran Loftus Headteacher
