15th July 2020

Dear Parents,

Re Earlier School Year Closure Date Wednesday 22nd July 2020

The school will be closing on **Wednesday 22nd July**, a day earlier than originally planned. Thursday 23rd will be a staff development day outstanding from June and therefore school will be closed.

I appreciate that this may come with short notice but given the school's response to the crisis and the need for staff who are present in school to commence the planning and preparation required for September, I hope that you will understand our position.

You will be receiving a copy of the pupil annual report on Friday and next week we will be emailing out our plans for September 2020 when we look forward to seeing everybody return.

Yours sincerely,

Kieran Loftus Headteacher
